

CCGD is pleased with the results of our Recruitment Tuition Credit (RTC) Program and will be continuing the program for the 2012-13 season.

Here's how RTC works. Any current CCGD family who recruits new members who actually join the chorus in 2012-2013 will receive a \$75 tuition credit for each new singer.

Here's an example: A Concert II singer gets five friends to sign up for CCGD auditions. Four are offered a spot and three actually join CCGD. The Concert II singer's tuition for 2012-2013 will be  $\$450 - \$225 = \$225$ .

CCGD families as a group have long been our best recruiters. The RTC program benefits both CCGD (by increasing downtown choir enrollment) and our families (by reducing tuition costs). This season 35 families participated and reduced their tuition costs by over \$3400. We encourage you to actively participate in RTC.
