Why Purchase a Season Ticket Package?

Save Money	Buying a season ticket package allows you to purchase tickets to all three Meyerson concerts at a discounted price. Doing so will save you more than 10% compared to 2018-19 single ticket prices.
More Convenient	Buying a season ticket package allows you to purchase tickets to all three of CCGD's Meyerson concerts in just one order! You no longer have to keep track of when single tickets go on sale or purchase the day of the concert.
Get the Best Seats	Buying a season ticket package gives you access to the best seats in the Meyerson for every concert.
Ease of Mind	Buying a season ticket package ensures you have tickets! CCGD concerts do sell out and you won't have to worry about missing your singer's performance.
Priority Access	Buying a season ticket package gives you priority access to purchase additional concert tickets. Have extra family members coming to the November concert? No problem! Season ticket holders can purchase extra tickets one week before the general public.
Ticket Replacement	Misplaced your tickets? Your lost tickets can be replaced for free by calling CCGD's office.
Exclusive Benefits	Buying a season ticket package gives you free admission to one private pre-concert reception each season.

Current subscribers: Return your form by **July 31, 2018** to be guaranteed the same seats as last year.

New subscribers: CCGD staff will be in touch with you in early August to discuss your preferred seating location.
