

HELP US RECRUIT FOR 2022-2023!

We are beginning to plan for auditions for the 2022-2023 season, and YOU are our best recruiting tool! More singers learn of CCGD from someone who already participates than from any other way. If you know a child who likes to sing and will be in **grades 4-12** in 2022-2023, please tell him or her about the chorus. Provide us with their information in the space below, and we'll be sure they each get an audition invitation. (Don't forget that you can get a \$75 tuition credit for every new singer you recruit who actually joins the chorus.) Please complete the form and return it to rehearsal or email it to me - susan@thechildrenschorus.org. Thank you!
